Re: United States v. Toshnelle Foster
18 Cr. 41 (DLC)

Dear Judge Cote:

I represent Mr. Toshnelle Foster in the above-referenced matter. Mr. Foster is scheduled to be sentenced on January 10, 2020. I write the Court to request a short adjournment of Mr. Foster's sentencing date.

As the Court is aware from previous applications, I have been out of my office due to medical issues and I am presently out of town recuperating with my family through the holidays. Mr. Foster has recently emailed me and communicated through his family that it is very important that I visit with him to discuss several issues concerning his sentencing that need to be resolved beforehand. Since I will not be able to visit with him until I return to work after January 1st, I am requesting a short adjournment to review any outstanding issues with Mr. Foster.

Consequently, I am respectfully requesting that the sentencing date be adjourned to any date or time on January 27th, 28th, 29th, or February 4th through the 7th. I have spoken with AUSA Christopher Clore who consents to this application.

Thank you for your consideration.
